THE EAGLE LINE.

WICHITA WAGING WEST-WARD.

The Colorado Railway Under a small way. Contract.

Work to Commence This Week, and the

First Section of Twenty-Three Miles to be Completed in January.

The Eagle is more than ordinarily hapunder contract. The papers were signed in directly connected with all that section. New York within a day or two after the return of the gentlemen who went from this city to Chicago and the announcement only has been withheld pending the settlement six page paper, and truly looked as though of some important preliminaries. Immediate and active operations will now take the place of negotiations. Our local directors place of negotiations. Our local directors are and active operations. Our local directors place of negotiations. Our local directors are the Bird grow; the town needs it.—Valley control and the single mistake of limiting control and active operations will now take the place of negotiations. Our local directors are the bird grow; the town needs it.—Valley control and truly looked as though post to-day by a detachment of troops. The tion is concentrated upon the court and diponent in to this manually post to-day by a detachment of troops. The tion is concentrated upon the court and diponent in the deposition of Prince Alexander in Bullet and the depositi the time of the aid voted, which necessitated rapid and expensive negotiations. But it turns out all right. Within three weeks almost unsurmountable difficulties have been overcome, during which time many others were avoided only by the coolest judgment and keen foresight. While it is not expected that the Eague will give the inside history coming greatness, and, as another, while offering great inducements, was suspected of

Chief Engineer N. S. Wood, M. W. Levy, N. Long may they live, prosper and be happy. F. Neiderlander, Kos. Harris and A. W. The Wichita Eagle of Sunday, came out as Oliver. From the start they have faithfully kept the interests of Wichita in view and no fresh readable news.—Hazelton Express. promise of personal profit could shake them in their purpose to put the line in the interest of the system that guaranteed the most to Wichita-present and future. They acted not only wisely and shrewdly from the beginning, but nobly and unselfishly. And right here the Eagle desires to say—
and we have been on the inside of every
movement from the time that this paper
first came out in advocacy the building of
such a road that when it was first brought
out, this line had no more, greater or better out, this line had no more, greater or better

products have all been carried off by the Santa Fe to Kansas City. Not only will these products be now able to reach nearer competing lines at Wichita, but all the peoples and interests of that section for one bundred miles west will only have local rates to pay from Wichita on all goods eight of the prisoner, has sent up insasting the union sessable against Stead, Jacquese, Jarrett and Murray.

The prisoners were all admitted to bail to say all the indictment for indecent of the Roumelians by confirming the union of Rou

west of Wiebita. The men who have had the enterprise on hand have met with the most determined opposition at every turn. The peoples of the counties situated south of the Great Bend were distracted by the alternate promises and threats of the Mulvane crowd, and every railroad interest with whom negotiations were carried on were embarassed by the complications thus set on foot. But the victory is with Wiebita, and our for a distance of one hundred miles north-But the victory is with Wichita, and our city will feel it pulsating through every vein and nerve in the months to come. But occurred between Bill Moss and John and this victory is not the only one awaiting
Wichita. The next marked one should
Wichita. The next marked one should
him, and also shot Eliza Cook in the breast. be the contract for building the Omaia,
Abiline and Wichita railroad. This
line is so fortunately laid that
there is no probability of embarrasement from opposing interests. It is not
only a magnificent line locally, but one

unite in wishing them an auspicious start in
life.

Mahone's Downfall.

M

The great and enterprising firm of Robinson Bros., whose large business house has west throughout the columns of the EAGLE, take advantage of our Sunday morning's edition to appear in a full half page, in which they tell of many fine bargains and inducements to purchasers. The enterprise liberality as dealers. They have big bargains in their stock, and are wise in letting it be known. The EAGLE goes into every town and city in Southwestern Kansas, and we assure all who may visit our city to stop and trade, and that the advertisement found in this issue of that house is a true index of its character, i. e., they do nothing in

EDWARDS COUNTY SOD CORN.

Mr. E. Pierpont, who has for years been raising fruit and grain in Sedgwick county, on his farm a few miles east of town, has been out west along the valley a hundred miles west of this. From Edwards county, the southwest part, he brings us four samples of sod corn what is as good as anybody's corn, and some beans dropped in py this morning in announcing to its many July and ripe in September. Pierpont says readers that one of the three lines which we that that is just as good a country as this. commenced the advocacy of this spring is All right, in another year Wichita will be
